*City Engineer*

Dear Mr. Jindal:

I am very pleased to submit four copies of our Request for Certification as a Local Public Agency (LPA) to the Ohio Department of Transportation (ODOT) in accordance with the Locally Administered Transportation Projects Manual of Procedures . I have not included hard copies of the Exhibits; they are included, along with our entire submittal, on each of four CDs that accompany this letter. This information is also available by selecting LPA certification on our website at [www.cincinnati-oh.gov/dote](http://www.cincinnati-oh.gov/dote).

The City of Cincinnati is an organization that prides itself on providing high-quality, cost-effective government services. The Department of Transportation and Engineering strives to continually improve service delivery and looks forward to demonstrating the outstanding attributes and commitment of our organization and personnel.

Please call me at (513) 352-3720 or our LPA Coordinator, John Brazina at (513) 352-6249 if you have any questions or need additional information. We are always interested in your feedback and would appreciate the opportunity to address any questions you may have.

Sincerely,

Donald W. Rosemeyer, P.E.  
City Engineer
